BOOK SYNOPSIS

The legend of King Arthur and Camelot has become so popular over the ages that its archetypal characters and stories interact with the conscious and subconscious on the deepest levels. The Tarot, a powerful spiritual and divinatory tool, also works with the subconscious and conscious minds. It was only natural that the two should be combined. That is exactly what Anna-Marie Ferguson has done with her beautiful deck, Legend: The Arthurian Tarot. The cards are meticulously painted in beautiful watercolor and framed by Celtic knotwork with jewels. The deck follows the traditional Tarot structure of 22 Major Arcana cards and 56 Minor Arcana cards. The traditional Tarot card name, such as the Seven of Swords, appears at the top of the card, while the Arthurian scene depicted (in this case the Sword in the Stone) appears at the bottom. The beauty of these designs will thrill you with their depth and add new layers of meaning and interpretation to your Tarot readings. Included is a 72-page booklet which describes the mythic image on each card along with the divinatory meanings. The Horned One (formerly The Devil) is here named Cernunnos. You will learn who this deity is and his history. The Universe becomes The Giants Dance, which relates to the mythic construction of Stonehenge. The Three of Swords is Palomides, the Saracen Knight who laments for his lost love, Isolt. The Nine of Cups is the Healing of the Maimed King, which describes how the Wasteland is renewed with the healing of its King on the sacred isle of Avalon. The booklet also includes instructions for two spreads. If you work with the Tarot, you will find that the myths illustrated on these cards will allow you to glean new interpretations and ideas from the cards. If you collect Tarot decks, the beauty and meaning of this deck will make you want to add this deck to your collection. If you love the Arthurian myths, you will want this deck for its beautiful depictions of the events in the Arthurian legends. And if you want to learn the legends of Camelot, these cards can even function as "flash cards," allowing you to easily learn and recall the adventures of the Arthurian knights. Let this deck, with its exquisitely rendered water color paintings, draw you into a compelling world of characters, places, and tales from all four branches of the ancient Arthurian legend.
